

Nursing Students: Join the

Community Health Nurses' Initiatives Group!

The Community Health Nurses' Initiatives Group (CHNIG), an interest group of the [Registered Nurses' Association of Ontario](#) (RNAO), has its mission to act as the voice of Community Health Nurses influencing the health care system and health and social policy in areas which affect the work of Community Health Nurses and the public we serve.

CHNIG would like to open applications and invite Nursing Students to become affiliate members of the Community Health Nurses' Initiatives Group Board of Directors.

If you are not the successful candidate to join our board, are you interested in being contacted to join our student subcommittee that will be formed in 2017? Yes No
